National Theatre Live is the National Theatre's groundbreaking project to broadcast world-class theatre to cinemas in the UK and internationally. Though each broadcast is filmed in front of a live audience in the theatre, cameras are carefully positioned throughout the auditorium to ensure that cinema audiences get the 'best seat in the house' view of each production. Where these cameras are placed is different for each broadcast, to make sure that cinema audiences enjoy the best possible experience every time.

Sunday Afternoons \$12/\$10 members
